

Look at Me 21

IP20  Dimmerable: 

DESIGN BY

Alida Catella, Silvio De Ponte

DESCRIPTION

Look at Me is a family of suspensions that starting from two different geometries of the diffuser follows the light needs of the space in which it is inserted, with single, cluster, or track-mounted suspensions.

They are essential elements, yet perfectly designed to guarantee maximum efficiency and luminous comfort thanks to two lenses placed at the two ends of the diffuser.

The light emitted by the LED source is perfectly controlled inside the cone, the beam of light drawn by the primary lens falls exactly on the surface of the lower lens, that opens the emission.

Light is therefore not diffused through the black cone but it is precisely cut so to intercept the stepped profile and animate its dark volume with lines of light.

The diffusers can also be combined on a suspended track with a cylindrical section, available in three lengths. This offers the opportunity to design landscapes of light by distributing the luminous elements in the space, in order to manage the illumination.

Multiple tracks can be electrically connected without predefined geometries. The junction is in fact only a connection passage (electricity and data) and not a mechanical joint. This opens up to great freedom and flexibility, for a system which from a single point of electrical connection brings light into space for many meters.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1450010A	Series:	Design, 2019 Artemide Collection
Colour:	Transparent black		
Installation:	Suspension, Track		
Environment:	Indoor		

DIMENSIONS

Height:	cm 47.7
Base Diameter:	cm 13.6
Max Height from ceiling:	cm 113.6

INCLUDED SOURCES

Category:	LED	Color temperature (K):	3000K
Number:	1	CRI:	90
Watt:	18W		
Delivered lumens output (lm):	1200lm		
Type:	0		

LUMINAIRE

Watt:	18W	Delivered lumens output (lm):	1200lm
		CCT:	3000K
		Efficiency:	60%
		Efficacy:	66lm/W
		CRI:	90
		Dimmable Typology:	Push
